 Alvalens ·  Alvalen Shafel ·  alvalens.my.id

As an undergraduate student majoring in computer science, I've immersed myself in the dynamic world of technology. With one year of hands-on experience as junior fullstack web developer, I bring a comprehensive understanding of the intricate workings of technology. My enthusiasm for this field drives my aspiration to excel not only in web development but also in mobile development and AI development. My journey is fueled by the excitement of pushing boundaries and creating innovative solutions that shape the future of technology.

EXPERIENCE

AUG 2023 – PRESENT

FULLSTACK DEVELOPER (PART-TIME), HAFDZAMEDIA TEKNOLOGI APLIKASI

- Applied Laravel, React.js, and Next.js seamlessly to create versatile and efficient applications.
- Implemented responsive and feature-rich interfaces, enhancing user engagement.
- Collaborated with cross-functional teams to align fullstack development strategies with project objectives.

APR 2023 – JAN 2024

FREELANCE WEB DEVELOPER, SELF EMPLOYED

- Executed robust and scalable web applications utilizing Laravel as the primary stack.
- Implemented responsive and user-friendly interfaces, ensuring an optimal user experience.
- Successfully managed project timelines and milestones, consistently delivering high-quality solutions within specified deadlines.

EDUCATION

2022-2026 (ESTIMATED)

BACHELOR OF COMPUTER SCIENCE, UNIVERSITAS NEGERI MALANG

Reached GPA 3.91 at 4th semester and notably, I have participated in prestigious events such as PKM, Pimnas and programming competition, showcasing my dedication to achieving excellence on both academic and competitive fronts.

2019-2022

MATHEMATICS AND SCIENCE, SMAN 1 GONDANGWETAN

Actively participate in competition activities and achieved the first parallel rank of all students majoring in Mathematics and Sciences with a range of 200 students.

TECH STACK

- Laravel
- Next Js
- React Js
- Javascript
- PHP
- Python
- MySQL
- Firebase
- Git Version Control

OTHER SKILLS & ABILITIES

- **Problem-Solving:** Proficient in analyzing complex problems and implementing effective solutions.
- **Communication:** Strong verbal and written communication skills, with the ability to convey technical concepts to diverse audiences.
- **Team Collaboration:** Adept at working collaboratively in cross-functional teams to achieve project objectives.
- **Time Management:** Skilled in prioritizing tasks and managing deadlines effectively to ensure timely project delivery.
- **Adaptability:** Flexible and adaptable to changing environments, with the ability to quickly learn and apply new technologies.
- **Attention to Detail:** Meticulous in ensuring accuracy and precision in all aspects of work, from coding to project documentation.

HOBBY

- **Photography & Videography:** Passionate about capturing moments and expressing creativity through photography.
- **Editing:** Enjoy enhancing photos, creating cinematic videos, and producing visually stunning imagery using editing software.
- **Coding:** Love exploring new programming languages, frameworks, and solving coding challenges.
- **Gaming:** Enthusiastic about gaming as a form of entertainment and relaxation, particularly strategy and simulation games.

LANGUAGE

- **Bahasa Indonesia:** Native or bilingual proficiency
- **English:** Limited working proficiency
